Description

- self-sticking foil
- meets the requirements of VDI 6022
- for closing air ducts and pipes
- 100 meter per roll

MEZ-DUCT-WRAP 1000 is a self-sticking foil with a width of 1000 mm and is ideally suited for closing air ducts and pipes and for the transport from the production to the building site. MEZ-DUCT-WRAP 1000 can be removed without residues, due to a strength of 50 μ it guarantees a maximum resilience and therefore it keeps the single components closed and clean. MEZ-DUCT-WRAP is conformable to the hygiene guideline VDI 6022 and is available in different widths.
